

ONLINE ORDERING - REGISTRATION FORM-Domestic Customers

Iredale Mineral Cosmetics is making our On-Line Ordering (OLO) system available to all of our accounts. Please read and sign this form to indicate your understanding of the conditions of use.

Access to OLO will be through the Iredale Professional Website. (The User Name is your *jane iredale* account number.)

For security reasons, a second level password is needed to use OLO. Please note:

- Your password will be issued by the Home Office.
- If a password is lost, you may contact onlineorder@janeiredale.com to have your password sent to you at your "REGISTERED EMAIL ADDRESS." (See below.)
- Three incorrect password entries will lock your system.

Instructions on how to use Online Ordering are available on OLO. Or, you may request instructions to be sent to you by contacting: onlineorder@janeiredale.com.

Users of OLO cannot change main account information (name, addresses such as, "Ship to" and/or "Bill to" locations.) These must be done through Home Office at our Customer Service Desk.

Accounts who use OLO must take full responsibility for all orders placed. Please verify your items, shipping terms, credit cards, etc.
